To Whom It May Concern:

I am writing to request the court review the decision to reject my claim for the class action suit *Henry et al. v. Brown University et al. Case No. 1:22-cv-00125*. **I would like to appeal this rejection.**

On August 27, 2025, I received an email notification that my claim was rejected for the following reason:

*"You did not respond to the Deficiency Notice sent to you in May 2025 requesting additional information and/or documentation to validate your claim. **Because no response was received, your claim has been rejected.**"*

However, I wish to contest this rejection, because I never received a Deficiency Notice in May 2025. I was not given an opportunity to review or respond to a request for additional information. Therefore, it was inappropriate to reject my claim.

I would like to request this rejection to be reversed, and to be re-included in the class action law suit, as I believe I have a valid claim to the settlement.

As requested, my full name and current address are:

Norma Margaret Schwartz Moravec ("Norma Margaret Schwartz" at the time of my enrollment at Rice University)
